# QUALITY DAHLIAS *1947*

**COMSTOCK DAHLIA GARDENS**  
5140 - 35th Street  
SAN DIEGO 4, CALIFORNIA  
U. S. A.

1947

# Greetings

We wish to take this opportunity to extend our good wishes to all our dahlia friends. We realize that the past few years have been trying ones for most of us. We hope all can get back to the things we most like. Among these are, for many of us, the pleasures of growing fine dahlias, and entering them in our various dahlia shows throughout the country. There will be many prizes to be won and we hope that each of you will get your share.

We have added several new dahlias to our collection this year that we hope will please you. We've tried our best to pick the very best of the new originations for your pleasure.

The San Diego County Dahlia Society will stage a dahlia show on the second and third of August, at which time we hope to see all of you with a share of the blooms to be displayed, so with best wishes for a grand dahlia year, we are,

Sincerely yours,

R. Paul and Rose Marie Comstock & Sons

Our gardens are located at the following address:

5140 - 35th St.

San Diego 4, California

We welcome your presence at our gardens any time through the year.

## GENERAL INFORMATION

### GUARANTEE

**We guarantee**—All roots to have live eyes at time of sale and be true to name, after that our responsibility ceases, as we have no control over growing conditions. Please notify us immediately upon arrival of stock, whether plants, roots, or seeds, are unsatisfactory. The above guarantee does not go beyond replacing of the item purchased. We only guarantee dahlia seeds to be from large flowered varieties.

### SHIPPING INFORMATION

Due to the hazardous task of trying to ship plants in excellent condition by mail we are not sending them out of Southern California.

Two plant deliveries will be made to the Los Angeles area for orders of over \$10.00. One will be made during April and one during May. If you place an order you will be notified by card a few days before delivery is made. No. C.O.D. orders will be accepted.

### LOCAL CUSTOMERS

Please call for your plants on Saturday or Sunday only, or by appointment. We are not generally available during week days.

Plants will be available beginning April 5, 1947.

A sales tax of  $2\frac{1}{2}\%$  is required by law in the State of California. Please add this to your order, or if in San Diego City add  $3\%$  which will include  $\frac{1}{2}\%$  City Tax.

### DAHLIA SEED

The following list of dahlias are grown for the purpose of obtaining seed of the highest quality. No other varieties or types are grown by us in our garden, thus assuring our customers the highest quality of seed obtainable.

You may reserve seed from any variety listed, beginning immediately, seed will be shipped starting the first of January. Our orders are filled in rotation. By placing your order early you may avoid disappointment of being sold out of the variety you most desire. Please specify a second and third choice, for we dislike making substitutions.

### SEED PRICES

20 Seeds \$1.00	100 Seeds \$5.00	1000 Seeds \$40.00
-----------------	------------------	--------------------

Abbreviations of types of varieties are as follows:

F.D.—Formal Decorative.

I.D.—Informal Decorative.

S.C.—Semi-Cactus.

C—Cactus.

1946—Year of introduction of variety.

(Comstock) Originator of variety.

## INTRODUCING FOR 1947

*"Miss Liberty"*

**Miss Liberty** is a formal decorative type bordering on informal. Color is scarlet red with tips of petals white. Blooms average under fairly good growing conditions about 9x5. Plants grow very upright. Long stems hold the flowers at a perfect angle facing. Blooms keep well when cut. Foliage of plant is very dark green. Early to bloom and blooms seem to improve as the season advances. Winner of Gold Medal Certificate at Inglewood, Calif., and of the American Home Achievement Medal at the San Diego County Dahlia Society show. Won first in the undisseminated class at La Mesa Festival de Las Flores. Certificate winner at Fairmount Trial grounds and on Col. Richard T. Eddy's, West Coast, Mr. J. Louis Roberts Midwest and Mr. Lynn B. Dudleys Eastern Honor Rolls of the Flower Grower magazine. We feel it should go places in the shows this year.

Roots \$15.00 ea. net; Plants \$7.50 ea.

### DISEASE

We thoroughly rogue our glass house, lath house and gardens throughout the entire season for diseased stock of any sort, and if we find any, it is immediately destroyed. We hope in this way to keep disease at an absolute minimum.

# OUR INTRODUCTION FOR 1946 WAS

*"Miss San Diego"*

## **Miss San Diego (Comstock) I. C. 1946**

Incurved lacinated cactus, of superb color and form. This dahlia is almost in a class by itself, having distinctive incurved claw like petals that are very deeply lacinated. Lemon yellow, outer half tyrian pink with thread like margins at center florets showing tyrian pink. High centers make blooms almost a ball in form. Flowers grow high out of an exceptionally vigorous plant, very long strong stems. Blooms keep well when cut, prolific and early bloomer and a good root maker. On all three Honor Rolls of the Flower Grower magazine. Certificate of Merit Winner at the A. D. S. trial grounds at East Lansing, Michigan, with a score of 85.8 and at Ohio Valley trial grounds with a score of 85 E. Won A. D. S. Achievement Medal at Inglewood, California, in 1944.

Roots, \$10.00 ea.; Plants, \$3.75 ea.

## 1947 INTRODUCTIONS OF OTHER GROWERS

### **Bulldozer** (Ramage) I. D. 1947

Orange with reverse and tips of petals gold. Has very broad flat petals. Color is vivid in the gardens, maintaining tremendous size throughout the year. Medium in height but very robust grower. Dark green insect resistant foliage.

Plants \$5.00 ea.

### **Clara Hook** (Wolbert Rocky River) St. C. 1947.

A large straight cactus of golden yellow, lightly suffused peach. Has been grown to very large proportions. Blooms have fine substance, and stems are straight and strong. Tall growing plant with heavy glossy insect resistant foliage. Winner of the Derrill Hart Medal for large flowered dahlias for 1946. Holds three certificates of Merit and on all three Flower Grower Honor Rolls.

Plants \$7.50 ea.

### **Deep Velvet** (Baker Ruschmohr) F. D. 1947.

A dark carmine overlaid oxblood red. Petals are broad and have a velvet appearance. Nice growing plants. Another winner of the Derrill Hart Medal, but this one for medium type dahlias. It is also on all three Honor Rolls.

Plants \$7.50 ea. net

### **Barbara Lee** (Carlisle) I. D. 1947.

Very large blooms of pink and cream of most artistic formation and early to bloom seem to be the fine assets of this dahlia. Scored for a Certificate of Merit at Cincinnati Trial Grounds. We feel this dahlia should make a name for itself on the show tables.

Plants \$5.00 ea. net

### **Jack Francis** (Carlisle) I. D. 1947.

Tremendous blooms of deep yellow are borne on long straight stems. High out of the foliage. This dahlia scored 85 at the Cincinnati Trial Grounds. It seems to me this is a much wanted color on the exhibition tables.

Plants \$5.00 ea. net

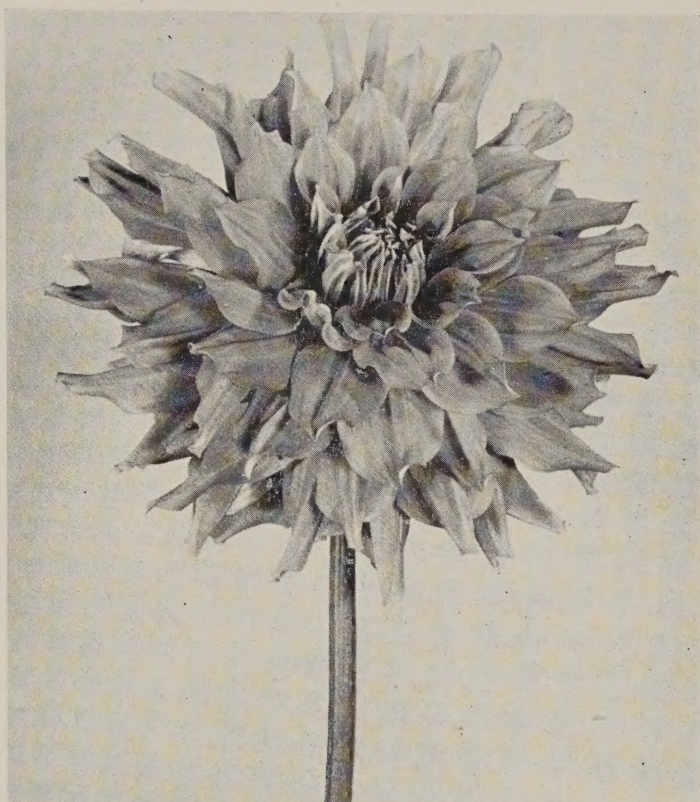

—DON'T FORGET THAT SEED ORDER—

## GREEN PLANTS

Our green plants are produced from base cuttings of the finest of our various varieties, and roots or clumps used for this purpose, are selected from our healthiest stock selected during the growing season. These cuttings are rooted in special propagating benches and after being well started are transferred to three and one-half -inch earthen pots. When the plants are found to be well established they are moved to a partially shaded place, where they become accustomed to the weather, when these plants show a definite trend toward new growth they are ready for our customers. We find that the quality and size of blooms for exhibition are just as good as when grown from roots. We highly recommend plants to our customers.

Our gardens will be in bloom from July 1st through October. You are welcome to visit our gardens Saturdays and Sundays or by appointment.

*"Sir Galahad"*

**Sir Galahad** (Comstock) I. D. 1945.

Orange tipped and slightly edged gold. Blooms averaging about ten inches in diameter and six inches deep. Blooms are held facing on extremely long and strong straight stems. Heavy dark green insect resistant foliage. Very good keeper when cut and prolific bloomer. Winner of A.D.S. Achievement Medal and on Col. Richard T. Eddy's West Coast and Mr. Lynn B. Dudley's East Coast Honor Roll in the Flower Grower magazine. Certified at Storrs Connecticut in 1944, scoring 85.6-L.

Plants, \$2.00 ea.

## DAHLIAS OF REAL MERIT

**Alice May** (Australia) I. D.

Blooms of this fine variety are large with great depth. They have exceedingly fine foliage and stems. Producer of many fine blooms of show quality.

Plants \$1.00 ea.

**All American** (Salem) S. C. 1941

Bloom 11x6. Mulberry rose suffused salmon with wax yellow at base of petals. Very sturdy plant. The only 1941 introduction to be on all four Honor Rolls.

Plants 75c ea.

**American Purity** (American Dahlia Farms) S. C.

One of the largest white semi-cactus varieties. It is especially good late in the season, although it isn't a particularly late bloomer.

Plants, 75c ea.

**Axford Triumph** (Australia) I. D.

Good strong plants producing very large tan to orange blooms. Strictly an exhibition dahlia

Plants, \$1.00 ea.

**Ballegos Surprise** (Holland) S. C.

Considered one of the very best whites in its type today.

Plants, 75c ea.

**Beaute** (Holland) C.

One of the finest pure yellow cactus dahlias today. Has made many wins in our local shows.

Plants, 75c ea.

**Bess Smith** (Anderson) I. D. 1943.

Blooms 10x6, bushes 5 ft. A fine white dahlia of excellent form. Should be in every garden. Fine keeper when cut. Winner of the Derrill Hart Medal, and Honor Roll Dahlia.

Plants, 75c ea.

**Bills Gold** (Australia) I. D.

One of our finest large gold dahlias. Excellent stems out at a medium height plant.

Plants, 75c ea.

**Black Monarch** (Pape) S. C. 1945.

Dark oxblood red, nearest dahlia we've seen to black. A very vigorous and thrifty grower. Good bloomer. Long strong stems, holding flowers well out of plant. Plenty of substance and good keeper.

Plants, \$2.00 ea.

**Blue Horizon** (Franklin) I. D. 1945.

Fairly large blooms with good depth of French Violet. Tall grower long stems and fine foliage.

Plants, \$2.50 ea.

**Carl G. Dahl** (Scott) I. D. 1937.

Blooms 12x6, bush 5 ft. Graceful although tremendous in size. Pointed petals curling slightly enhance a bloom of old rose and gold. Good substance and thrifty growing plant. One of the best.

Plants, 75c ea.

**Class** (Salem) F. D.

Light yellow blooms that are very compact in formation are produced on a rather short growing plant. A true formal.

Plants, 75c ea.

**Chautauqua Dawn** (Wallace) C. 1940.

Blooms 11x5, bush 5½ ft. Ground color light yellow, overlaid mallow pink, the center being mostly yellow. Certificate of Merit Dahlia.

Plants, 75c ea.

**Cherokee Brave** (Dahliadel) I. D. 1938.

Oxblood red, holding its color in all weather. Very large, and an asset to the exhibition table.

Plants, 75c ea.

**Clariam Kelton** (Wolbert) I. D. 1945.

Flame red blended yellow. Outstanding in the garden. Tall growing plants. Prolific bloomer, on long strong stems. Heavy green foliage. Excellent for cutting.

Plants, \$1.50 ea.

**Colonel Little** (Ambrose) I. D. 1946.

A most artistic formed dahlia of bright red or scarlet and orange. The petals twist and curl, and are deeply notched at the ends. Blooms attain a size of eleven to twelve inches in diameter with corresponding depth. On the East and West Honor Rolls.

Plants \$3.50 ea.

**Commando** (Peck) F. D. 1943.

Blooms ten by five. Medium growing plant, phlox purple blooms, with long strong stems. Achievement Medal winner.

Plants, 75c ea.

**Dahliamum** (Chemar) I. D. 1940.

Blooms 11x7. A bright cadmium apricot, with a golden sheen. Long stiff stems. Honor Roll.

Plants, 75c ea.

**Darcy Sainsbury** (Australia) F. D.

Blooms 10x5, of pure white, held on excellent long stems. This variety has won many prizes in its class at the various shows throughout the country. One of the musts in white dahlias.

Plants, 75c ea.

**"D" Day** (Hendricks) F. D. 1945.

A medium sized dahlia of true pink. A very good keeper. Stems are cane like and hold flowers facing the side. On Mr. Dudley's Eastern Honor Roll.

Plants, \$1.50 ea.

**Dixies Winedot** (Dixie) I. D. 1943.

Blooms 10x6. Bicolor, white background splashed with wine red. Long stems, fine growing plant. Winner of three Achievement Medals, and Honor Roll Dahlia.

Plants, \$1.00 ea.

**Don Sowton** (Sowton) I. D.

Large artistically formed dahlia of pure deep lavender, light purple center. Low growing plant.

Plants, 75c ea.

**Enchantress** (Sholtz) I. D. 1942.

Bright orange buff, edged rose. Early and prolific bloomer. Excellent stems.

Plants, 75c ea.

**Faithful** (Dahliadel) S. C. 1945.

Medium large semi-cactus white dahlia of good form, on medium height plant. Very dark green foliage, robust plant.

Plants, \$1.50 ea.

**Five Star General** (Ramage) F. D. 1946.

Blend of amaranth pink and tyrian pink, arranged in lines intermingled, petals edged maize yellow, rendering a pastel effect, which is quite attractive. Very large blooms ten to thirteen inches by six inches. Strong stems. Blooms facing side. Sturdy plant growth about five and one-half feet tall. Excellent foliage. Free and consistent bloomer from early until late in the season. Received certificates in three trial grounds of the American Dahlia Society, at Storrs, Conn., Cincinnati, Ohio, and Fairmont, W. Va. Winner of the Derrill W. Hart gold medal. Listed on three Honor Rolls of the country.

Plants, \$3.75 ea.

**Gaylord Ballay** (Ballay) I. D.

One of the largest informal decorative dahlias in white. Long strong stems hold the flowers well out of a thrifty growing plant.

Plants, \$1.50 ea.

**General John J. Pershing** (Ward) S. C., 1945.

This dahlia is a sport of Virginia Rute with all of its fine habits. Color is tan splashed and striped violet. The outstanding new variety of 1945. Winner of the Derrill Hart Medal.

Plants, \$1.50 ea.

*"Mrs. Richard G. Atkinson"*

**Mrs. Richard G. Atkinson** (Comstock) I. D. 1945.

Lemon yellow. A natural producer of very large blooms. We have won the largest bloom in show several times with blooms  $14\frac{1}{2}$  inches by ten inches deep. Average blooms about eleven to twelve inches. Very prolific for such a large dahlia. Good stems, flowers facing. Medium sized plant, and early bloomer. In one year we entered three shows and won three largest bloom awards and two best in show. Has also won several other awards. It was certified at Storrs Connecticut in 1943, scoring 85E and at Midwest Trial grounds.

Roots, \$5.00; Plants, 2.00 ea.

---

**Ginger Rogers** (Ruschmohr) I. D.

Deep yellow blooms, of great depth and diameter, flowers forming a ball. Prolific bloomer, and very vigorous plant growth. We believe this to be one of the best yellows in years.

Plants, \$1.00 ea.

**Glamour** (Salem) I. D. 1939.

Immense true purple deeply edged amaranth pink. Fine grower of extremely large blooms. Achievement Medal winner.

Plants, 75c ea.

**G. M. C.** (Koenig) I. D.

Amaranth red, that holds up well without fading in the heat. Fine stems hold the blooms at a good angle. Vigorous growing plant.

Plants, 75c ea.

**Greater Glory** (Salem) S. C.

A very large semi-cactus dahlia of rose pink color with lighter shades. Fine formation and a very consistent winner in many shows. Five foot plants.

Plants, \$1.00 ea.

**Indian Summer** (Goetzer) S. C. 1942.

Golden yellow suffused soft orange. Long strong stem, flowers facing. Tall sturdy growing plant.

Plants, 75c ea.

**Jane Lausche** (Rocky River) S. C. 1944.

A new color combination in a large dahlia. Rosy mauve with about one-third of each petal tipped white. Winner of several largest bloom and most perfect bloom awards in its first season. The plants are open, fast growers and produce blooms early and late into fall. An excellent semi-cactus bicolor.

Plants \$2.50 ea.

**Jean Paturet** C. Deep yellow straight cactus of a solid color.

Plants, 75c ea.

**Jean Trimbee** (Trimbee) S. C.

A Canadian variety that is excellent. It always carries away a fine array of firsts in the various shows. Large deep violet blooms are held on long strong stems.

Plants, 75c ea.

**Joan Ferez** (Rindfleisch) I. D.

Very large golden yellow with a touch of spinel pink on outer petals. Thrifty bloomer.

Plants, \$2.00 ea.

**Kirsten Flagstad** (Brown) I. D. 1945.

Blooms 12x5, bush 5 ft. Color rich gold suffused apricot. Excellent long stems. Early and profuse bloomer. Winner of the most perfect large bloom at East Liverpool in 1943. Won three Certificates of Merit. On all Honor Rolls.

Plants, \$2.00 ea.

**L. C. K. (Koenig)** C. 1945.

Blooms bright apricot yellow suffused rose on outer tips of petals. Three foot plant growth. Flowers held high on strong stems. Very prolific.

Plants, \$1.50 ea.

**Lynne Fontanne** (Lee) S. C.

One of the monsters. Color spectrum red and carmine. Chrome yellow petaloids. Good strong stems blooms facing.

Plants, 75c ea.

**Lucy Cook** S. C.

True deep lavender blooms of fine form on long strong stems. Tall thrifty growing plant. Dark green foliage.

Plants, \$1.50 ea.

**Madame Jussiant** (France) I. C.

Fine lavender blooms on a tall growing vigorous plant.

Plants, 75c ea.

**Margrace** (Bissell) I. D.

Brilliant scarlet tipped gold. Large flowers on an excellent growing and well branched plant.

Plants, \$1.00 ea.

**Marion Smith** (Australia) I. D.

Tyrian pink overlaid mallow pink. Massive blooms are often a contestant for the largest bloom classes. Vigorous plants.

Plants, \$1.00 ea.

**Michigan White** (Keiser) S. C.

Medium sized fine white cut flower type. Good keepers. Excellent growing habits. One of the purest whites we've seen.

Plants, 75c ea.

**Miss Glory** (Ballay) S. C. 1936.

Apricot yellow. Medium tall plant. Very prolific bloomer. Winner of Certificates of Merit and an Honor Roll dahlia.

Plants, 75c ea.

**Miss Mary Lou** (Tooker) S. C. 1946.

A thirteen by nine inch flaming red semi-cactus. It grows on fine stems with flowers both on top and facing.

Plants, \$2.50 ea.

**Miss Wahroonga** C.

Oxblood red straight cactus. Long strong stems and fine keeper.

Plants, 75c ea.

**Mother Koenig** (Koenig) I. D. 1945.

Large shrimp pink blending to yellow at the center. Blooms 10-12 inches in diameter by 6-8 inches deep. Early and free bloomer.

Plants, \$1.50 ea.

**Mrs. A. G. Goodacre** (Goodacre) F. D.

Brilliant yellow tipped white. Prolific bloomer.

Plants, 75c ea.

**Mrs. C. J. Sowton** (Australia)

Rose salmon, brighter in center, overcast orange. Very large flower well poised on excellent stems. Nice clean growing three foot plants.

Plants, 75c ea.

**Mrs. Edward Diehl** (Lakeside) C. 1946.

Peach red blended deep chrome yellow. Six inch blooms. Certificate at East Lansing, Michigan, and Honor Roll Dahlia.

Plants, \$2.50 ea.

**Mrs. E. J. (Wind) C.**

Bright tyrian pink. Centers of blooms white with tips of petals white. Wonderful for cutting, keeps very well. Strong stems. Derrill Hart medal winner.

Plants, \$2.50 ea.

**Mrs. Hester Pape** (Pape) I. D. 1946.

A large reddish purple which has one of the outstanding show records of the season, with Achievement Medals at Cleveland, East Liverpool, and Baltimore. Color is bordering between red and purple but classed purple according to color charts. Plants are quite tall with excellent foliage and habits of growth. Usual size of blooms is eleven to twelve inches, but blooms up to fourteen inches are not uncommon. Blooms are generally informal but very well finished blooms may be semi-cactus.

Plants, \$3.75 ea.

**Nation's Pride** (Heil) I. D. 1944.

Peach red suffused chrome yellow, apricot red at center. Long strong stems. Blooms about nine inches across. Certificate and Honor Roll dahlia.

Plants, \$1.00 ea.

**Norma Morton** (Australia) I. D.

Golden yellow shading to orange. Very large blooms, on a very sturdy growing plant.

Plants, \$1.00 ea.

**Pardner** (Dozier) I. D. 1946.

Peach buff with tint of amethyst. Very large blooms. Long strong stems. Honor Roll dahlia.

Plants, \$3.75 ea.

**Parmella Mary Joyce** I. D.

Lemon yellow, good sized blooms, and prolific blomer. Strong growing plant.

Plants, \$1.00 ea.

### *"Rose Marie"*

**Rose Marie** (Comstock) F. D. 1941.

Excellent deep pink blooms 10x5 inches. Prolific bloomer, on a medium tall, robust growing plant. Fine keeper when cut.

Winner of A.D.S. Achievement Medal at the San Diego Dahlia Society Show in 1940, as the best undis-seminated dahlia.

Won the Gold Achievement Medal and Cash Award for the best undis-seminated dahlia at the Los Angeles County Fair at Pomona, California, in 1940. Honor Roll Dahlia.

Plants, \$1.50 ea.

**Pearl Harbor** (Hendricks) I. D. 1943.

The base color is lavender, which is splashed dark red. Blooms about 9 inches in diameter. Bush growth is low. Selected on three Honor Rolls.

Plants, \$1.00 ea.

**Pink Mum** (Grohall) C 1946.

Deep pink incurved cactus of fairly large size. Formed somewhat like a chrysanthemum. Winner of Achievement medals and on two Honor Rolls.

Plants, \$3.75 ea.

**Rita Wells** (Ruschmohr) I. D.

Pink buff and gold. Produces very large flowers, fit for largest bloom class. Short growing plant.

Plants, \$1.00 ea.

**Ronnie Lee** (Dorff) S. C. 1945.

Scarlet red and salmon orange blended dahlia. Early bloomer of extremely large flowers. True exhibition type.

Plants \$2.50 ea.

**Roselyn Straight** (Straight) S. C. 1944.

General appearance is apricot yellow, shaded and streaked scarlet red. Very tips of petals lemon yellow. Fairly large blooms. Long graceful stems hold the flowers well above the plants. Very early and prolific.

Plants, \$1.00 ea.

**Ruby Loxton** F. D.

Large pink blooms with high centers adorn a medium growing plant. Foliage clean and dark green.

Plants, \$1.50 ea.

**Sherwood's Peach** (Sherwood-Ruschmohr) I. D. 1944.

This was the largest of the 1944 introductions in our planting. Blooms have great depth and are carried facing side on cane like stems. Plant growth is robust. Color is ochereous buff.

Plants, \$1.00 ea.

**Southern Thorobred** (Dozier) S. C.

Another one of the large ones. Deep shaggy rose lavender blooms. Tall growing plants. Dark green foliage.

Plants, \$1.50 ea.

**Stalin (Zazo)** I. C. 1943.

Rich red. Medium sized incurved cactus blooms are very striking on a beautiful dark green foliaged plant.

Plants, \$1.00 ea.

**Terry** (Zazo) I. D. 1945.

Long narrow serrated tipped petals of pink to lavender color. The petals twist and curl in a most unusual manner. Low growing plants, but sturdy.

Plants, \$2.00 ea.

**The Real Glory** (Stephenson) F. D.

Ten inch blooms of crispy white. Polific bloomer with dark green foliage. Winner of many firsts in the white class.

Plants, \$1.00 ea.

**"V" Day** (Hendricks) S. C. 1945.

A new color of clear mulberry rose. A seedling of Carl Dahl with many of the characteristics of the parent. Blooms up to 12 inches in diameter on good stems. On Midwest Honor Roll.

Plants, \$2.00 ea.

**Virginia Rute** (Chappaqua) S. C. 1939.

Rich velvety maroon, broad pointed petals, good form and substance. Very large blooms on a very vigorous growing plant.

Plants, 75c ea.

**World Event** (Dixie) I. D. 1944.

Rose pink, free bloomer of large flowers on a fine strong plant. Certificate and Honor Roll dahlia.

Plants, \$1.50 ea.

**Xantine** F. D.

Light lemon yellow. One of the finest in its class. Tall growing plants.

Plants, \$1.00 ea.

## REMEMBER

RIGHT NOW—is the time to order  
seeds for 1948.

*We are members of:*

The American Dahlia Society.

Central States Dahlia Society.

Orange County Dahlia Society.

San Diego County Dahlia Society.

#### PLEASE NOTE

We would like to suggest that you join The American Dahlia Society, by sending \$3.00 to the Secretary at 34 Puritan Ave., Tuckahoe, New York.

You will be sent the quarterly Bulletin of the society, which has a great deal of fine dahlia information, for your benefit.

JOIN NOW—and we know you will not regret doing so.
